# Percentage of People Participating in Fitness Over Time

Sum of % of people participating in Fitness for each Year Year. The marks are labeled by sum of % of people participating in Fitness.

## Fitness Participation by Age Group

Fitness by 15 - 24 years old vs. Fitness activity by 25 to 54 years.

## Fitness Activity among 25-54 Years Old

Year of Year	% of people ..	Fitness activity..
2010	17.50%	15.80%
2011	17.80%	16.60%
2012	18.50%	16.30%
2013	17.70%	15.90%
2014	18.40%	17.40%
2015	19.50%	18.50%
2016	19.79%	19.59%
2017	20.20%	20.86%
2018	20.96%	23.40%
2019	21.80%	23.90%
2020	13.50%	17.20%
2021	15.35%	18.60%
2022	17.30%	26.70%

% of people participating in Fitness  
and Fitness activity by 25 to 54  
years broken down by Year Year.

## Obesity Rates by Year

Year Year and sum of Obesity. Color shows details about Year Year. Size shows sum of Obesity. The marks are labeled by Year Year and sum of Obesity.

# Yearly Gym Membership Statistics

The trend of sum of Gym Memberships for Year Year. The marks are labeled by sum of Gym Memberships.

Yearly Analysis of Nutrition and Yoga

The trends of Nutrition and Yoga for Year Year. Color shows details about Nutrition and Yoga.
